2017	Class XII	CBSE	K.R.MANGALAM WORLD SCHOOL	84.6%
2015	Class X	CBSE	K.R.MANGALAM WORLD School	91.2%

PROJECTS UNDERTAKEN

Project Title: Cloud Based Cyber-enabled Cab Management System.
Technologies: Cloud,Python,web development
Description: The project is based on a Cab management system which is designed using python and also is deployed on cloud for implementing security.Cloud environment used is AWS where EC2 instances are launched to deploy the software and S3 buckets are created for storage

Project Title: Improvisation of open Shortest Path First Routing Protocol by using the methodologies of Enhanced Interior Gateway Routing Protocol.
Technologies: C language.
Description: This project aims at resolving the shortcomings of the Open Shortest Path First protocol using the methodologies of Enhanced Interior Gateway Routing Protocol (EIGRP). As EIGRP is a CISCO proprietary, only CISCO products can benefit from them, hence this project aims at providing the benefits of EIGRP protocol, globally to all routers working on Open Source Shortest Path.

Project Title: Telephone Manager App
Technologies: Android App Development
Description: A custom outgoing call screen which has the basic functionality of speaker, mute and disconnecting the call.

SKILLS (Professional & Technical)

- **Operating System:**   Windows, Ubuntu, Android
- **Software's:**   Microsoft Suite: MS Word, MS Powerpoint, MS Office, MS Excel, MySQL, Android Studio
- **Programming Languages:** C/C++, Java, PhP, Python
- **Technologies:**   HTML, CSS, XML, Android, AWS, Django
- **Soft Skills:**   Hardworking, Dedicated, Leadership skills, Good Orator, Management skills and teamwork.

TRAINING/INTERNSHIPS

Institution name: Kyrion Technologies.
Course: Android Application Development
Description: Successfully completed Android Application Development using Java program with the development of various applications under the guidelines and norms of the programmed structure.
Duration: June 2019-July 2019

Organization name: Expertrons(internship)
Profile: Mentor Onboarding Internship.
Description: Successfully gathered mentors for expertrons mobile applications by applying concepts of digital marketing.
